INGREDIENTS

Monocalcium phosphate, dicalcium phosphate, processed grain by-products, calcium carbonate, salt, molasses products, yeast culture, manganese methionine complex, zinc sulfate, zinc methionine complex, copper sulfate, copper lysine complex, cobalt glucoheptonate, sodium selenite, vitamin A acetate, vitamin D3 supplement, vitamin E supplement, vitamin B12 supplement, riboflavin supplement, niacin supplement, calcium pantothenate, choline chloride, menadione sodium bisulfite complex, thiamine mononitrate, red iron oxide, natural and artificial flavors, mineral oil.

FEEDING DIRECTIONS

Provide MFM XL Horse Mineral to horses on a free choice basis. Consumption should not exceed 10.5 ounces per head daily. Locate each mineral feeder near a clean, fresh source of water. Mineral consumption levels will vary depending upon the mineral status of the animals. Provide fresh, clean water to all animals at all times.

CAUTION: Use as directed. Consumption of selenium should not exceed 3 mg per head daily.

WARNING: This product, which contains added copper, should not be fed to sheep or any species that have a low tolerance to supplemental copper.
