SWEETLIX PEST-A-SIDE/RABON BLOCK

For control of fecal flies in manure of treated cattle. Prevents development of face flies, horn flies, house flies and stable flies in the manure of treated cattle.

Active Ingredient:

Tetrachlorvinphos: (Z)-2-chloro-1-(2,4,5-trichlorophenyl)vinyl diethyl phosphate*	0.20%
Other Ingredients**	99.70%
	100.00%

* Each lb. contains 1.36 g Rabon®

** Refers only to ingredients which are not larvical.

Guaranteed Analysis

Crude Protein (Min)	8.00%
Crude Fat (Min)	0.50%
Crude Fiber (Max)	7.00%
Calcium (Min)	7.00%
Calcium (Max)	8.00%
Phosphorus (Min)	2.00%
Salt (Min)	10.00%
Salt (Max)	12.00%
Magnesium (Min)	3.90%
Potassium (Min)	1.00%
Cobalt (Min)	.60 ppm
Copper (Min)	.180 ppm
Iodine (Min)	.60 ppm
Manganese (Min)	.500 ppm
Selenium (Min)	.12 ppm
Zinc (Min)	.700 ppm
Vitamin A (Min)	40,000 IU/lb.
Vitamin D-3 (Min)	5,000 IU/lb.
Vitamin E (Min)	20 IU/lb.

Feed Ingredients

Cane Molasses, Dehydrated Alfalfa, Coarse Meal, Lignin Sulfonate, Dolomitic Limestone, Magnesium Oxide, Monocalcium Phosphate, Di calcium Phosphate, Salt, Calcium Bentonite, Vitamin A Supplement, Vitamin D-3 Supplement, Vitamin E Supplement, Ferrous Sulfate, Manganese Oxide, Manganese Sulfate, Zinc Oxide, Zinc Sulfate, Calcium Iodate, Copper Sulfate, Cobalt Sulfate, Sodium Selenite, Plant Protein Products and Calcium Carbonate.

Pest-A-Side Pressed Block with Rabon®

A Free Choice Supplement Block for Cattle

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL INSTRUCTIONS

- Feed 1 block per 10-15 head of cattle. This allows all animals equal access to blocks. Feed blocks at the rate of 0.88 oz. per 100 lbs. of bodyweight per day. This intake will supply 0.07g. of Rabon® per 100 lbs. of bodyweight per day (2.1 grams per 100 lbs. bodyweight per month).
- Place blocks where animals congregate. Locate blocks throughout pasture, placing them near water and feeding areas. Maintain adequate distance between blocks (10 ft. minimum).
- Do not allow animals to run out of blocks. When a block is half-consumed, place a new block near it. Place very small pieces in troughs or feed pans.
- Animals should consume about 1.8 oz. per head daily. When animals consume the block at the recommended rate, it will supply 3 mg of Rabon®.
- Blocks can be fed to animals in confinement. Exact location of blocks to obtain desired consumption will vary between confinement feeding programs.
- Feed as the only FREE CHOICE source of salt, other minerals and vitamins.
- SWEETLIX® Pest-A-Side Pressed Block with Rabon® prevents the development of fecal flies in the manure of treated cattle, but it is not effective against existing adult flies. It may be necessary to use other control measures to reduce the population of existing adult flies. Supplemental fly control measures may be needed in and around buildings to control adult house flies and stable flies which can breed not only in animal manure but also in other decaying material on the premises. In order to achieve optimum control, SWEETLIX® Pest-A-Side Pressed Block with Rabon® should be used in conjunction with other good management and sanitation practices. Start feeding SWEETLIX® Pest-A-Side Pressed Block with Rabon® early in the spring before flies begin to appear and continue feeding throughout the summer and into the fall. SWEETLIX® Pest-A-Side Pressed Block with Rabon® may be fed to cattle up to slaughter.
- Follow feeding directions. Consumption of selenium should not exceed 3 mg per head daily.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal.

Disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by State and Local Authorities, by burning. If burned, stay out of smoke. Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

For additional information, please contact your SWEETLIX representative.

ENVIRONMENTAL HAZARDS: This compound is toxic to fish.
